TEACHING

Writing Consultant, Denison University Writing Center

May 2016 – Present

- Advised and assisted multi-lingual domestic and international writers throughout the various steps of the writing process
- Maintained consistent correspondence with University professors in identifying and strategizing solutions for students having difficulty throughout the process of producing written work
- Managed the publication of an undergraduate student publication of critical essays, poetry, and art

Teaching Assistant, Denison University Studio Art Program

January 2017 - Present

- Provided technical and visual support for facility use for students enrolled in beginning, intermediate, and advanced photography classes
- Assisted students of various photography backgrounds in printing images in both traditional darkroom

environments and also through the use of large-format laser jet printers

- Instructed students on using digital and analog large-format cameras, as well as digital and alternative manipulation techniques associated with cameras such as Adobe Photoshop and Lightroom

The Billboard Project Instructor, Cherry Valley Elementary School, Newark OH January 2017 - March 2017

- Planned and taught curriculum related to basic photography skills and the works of artist Felix Gonzalez-Torres to fifth grade students
- Created a digital zine of student work using adobe inDesign to be distributed in the Newark, OH area
- Hosted and planned a show of student artwork inspired by the works of Gonzalez-Torres publicly displayed in the Denison Art Space in Newark, OH
